Pete Vander Poel Announces Candidacy for Tulare County Supervisor District 2 with major endorsements

TULARE—Pete Vander Poel, candidate for Tulare County Supervisor District 2, announced his campaign for Tulare County Supervisor District 2 at a press conference at 10:30 a.m in front of the Heritage Complex at the International Agri-Center. Surrounded by 40 supporters, Vander Poel was endorsed by Congressman Devin Nunes, Tulare County Sheriff Bill Wittman, Tulare County District Attorney Phillip Cline, local farmer Mark Watte and many others.

“I am a real fan of Pete’s. He has the youth and energy to tackle the problems of local government. I cross-examined him and pinned him to the wall like a good prosecutor and he passed with flying colors. I will do everything I can to make sure Pete Vander Poel gets elected,” said Tulare County District Attorney Phillip Cline.

“Pete has lots of energy and passion for the job. He also has youth, which I think is a good thing. Many people thought Devin Nunes was too young when he ran for Congress and look at the great job he’s done. I strongly support Pete Vander Poel and I urge you to join me,” said Tulare County Sheriff Bill Wittman.

“Tulare County has a real opportunity to elect a dynamic and intelligent leader in Pete Vander Poel. I have encouraged Pete to run because I think he will do a great job on the Board of Supervisors and I support him 100 percent,” said Congressman Devin Nunes.

“I’ve got to know Pete over the last several months. He has enthusiasm and intelligence among other qualities. I think he will be great for the community and my family and I fully endorse him,” said Mark Watte.

“Thank you to everyone here supporting me and my candidacy. My family and friends and supporters such as Bill Wittman, Devin Nunes, Phil Cline, Dave Macedo, Willard Epps standing here with me today...If elected, I have three goals that I would like to accomplish during my tenure. First, I would like to see the county take measurable steps towards securing a reliable source of water, in both quantity and quality, for the citizens of our county, our agricultural base, and for the future growth and development of our County. Secondly, I plan to strengthen our public safety sector through a close working relationship with law enforcement, community members and educators in order to protect our citizens, our families, those who educate our children, and those who serve the citizens of Tulare County in their respective lines of duty. Thirdly, I would work towards improved efficiency in all aspects of county government; ranging from road maintenance and repair efficiencies to an improved customer service oriented environment working directly with our constituents in the various county departments,” said Pete Vander Poel, candidate for Tulare County Supervisor District 2.
